This is a request for a refund of the fee paid under 1.17(m) (\$1,860) along with Applicants' submission of a Petition for Revival of an Application for Patent Abandoned Unintentionally Under 37 CFR 1.137(b). Applicants explained why it is believed this abandonment was improper in their September 19, 2011 submission. For these reasons, Applicants respectfully maintain that payment of this fee is not required and a refund is requested.

Respectfully submitted,
